**VALUE** —————▶ **Global Sourcing • Customer Rebates • Freight Allowances**

**SERVICE** —————▶ **Interactive Software • Personal Sales Engineer • Customer Service Team**

**EXPERTISE** —————▶ **Product Selection • Product Quality • Advanced Processing Equipment**

Zone Enterprises is a stocking distributor of closed cell sponge rubber. With over 1000 rolls of material in stock including: Vinyl Nitrile, EDPM, ECH, Neoprene, Cross-linked Polyethylene, PE and EVA, Zone Reed Industries has the foam you need to satisfy your requirements. Available in skin-2-sides, skin-1-side or skived, our products are manufactured 1/16" to over 3" thick and can generally ship within one week of receipt of order.

Most Zone Enterprises foams are developed for acoustical or sound dampening, water absorption, vibration dampening, air seal, padding or other OEM applications. Available in a variety of densities and grades, Zone Enterprises can match the right foam or sponge to solve your specific needs. Most materials have been tested to standard ASTM test methods and many come with UL, automotive or other designated approvals.

Zone Enterprises has been providing closed-cell gasketing material to a variety of industries such as: HVAC, automotive, electronic, appliance, sporting goods and construction markets for over 60 years. Let us help you choose the right foam or rubber for your application.

# Product Reference Guide

## Vinyl Nitrile

Product No.	Grade	Product Type	Available Thickness	Available Sizes	Surface Type
NBS4040	40	Sheet	1/8" to 1.18"	40" x 157" Sheet	Skived
QXSF0	40	Continuous Roll	1/8" to 1.18"	Up to 54" Width	Skin-2-Sides or Skived
NCB4154	41	Continuous Roll	1/8" to 1.50"	Up to 60" Width	Skin-2-Sides or Skived
NCX4154	41	Continuous Roll	1/8" to 1.25"	Up to 60" Width	Skin-2-Sides or Skived
QXIG1	41	Continuous Roll	1/16" to 1.50"	Up to 56" Width	Skin-2-Sides or Skived
NCX4254	42	Continuous Roll	1/8" to 1.00"	Up to 54" Width	Skin-2-Sides or Skived
QXIG2	42	Continuous Roll	1/16" to 1.50"	Up to 56" Width	Skin-2-Sides or Skived
QXIG3	43	Continuous Roll	1/16" to 1.25"	Up to 56" Width	Skin-2-Sides or Skived
QXSCC	43	Continuous Roll	1/16" to 1.25"	Up to 56" Width	Skin-2-Sides or Skived

## EPDM and ECH

Product No.	Grade	Product Type	Available Thickness	Available Sizes	Surface Type
EBS4040	40 EPDM	Sheet	1/8" to 3.15"	40" x 80" Sheet	Skived
ECT4140	41 EPDM	Continuous Roll	1/8" to 1.18"	Up to 40" Width	Skived
QE41	41 EPDM	Sheet/Rolls	1/16" to 1.5"	40" X 68" Sheet	Skived
R4051	41 ECH	Sheet/Rolls	1/16" to 1.5"	37" x 47" Sheet	Skived
R4052	42 ECH	Sheet/Rolls	1/16" to 1.5"	37" x 47" Sheet	Skived
R4053	43 ECH	Sheet/Rolls	1/16" to 1.5"	35" x 45" Sheet	Skived

## Cross-Linked Polyethylene and PE Foam

Product No.	Grade	Product Type	Available Thickness	Available Sizes	Surface Type
XCT2060	2 lb. XLPE	Continuous Roll	1/16" to 1/2"	Up to 60" Width	Skin-2-Sides
PBL2048	2 lb. PE	Sheet	1/8" to 3.35"	48" x 96" Sheet	Skived - Grey
PBS2040	2 lb. PE	Sheet	1/8" to 3.93"	40" x 80" Sheet	Skived - White
PBT2040	2 lb. PE	Sheet	1/8" to 3.93"	40" x 80" Sheet	Skived - Grey
